# The Fine Print

## The Club in Roseland

The club was formed when reopening Hotel Tresanton in 1998. Initially due to the need to have a 'membership' to be able to eat and drink at the hotel whilst it was still under a club license. It has subsequently become a way for us to engage with the local community and provide exclusive offers and events at the hotel.

## The Rules

We will keep this simple!

1. To be a member of the Club in Roseland you must reside on the Roseland Peninsular, this can be a second home.
2. You will be issued with a membership card, you must present your card to the team in order to receive any relevant discounts. We would also ask that when booking tables you advised us of your membership.

## Exclusive Discounts

As a member you will receive the following discounts:

From 1st October to 31st March you will receive 20% off the cost of lunch at the hotel.

From 1st October to 31st March you will receive 20% off wine purchases at the hotel. (excluding Champagnes and Sparking Wines)

From 1st April to 30th September you will receive 10% off wine purchases at the hotel.

## Special Events

Throughout the Autumn and Winter we will produce a programme of events which will be available exclusively to members of the Club in Roseland. For example;

- \* Special set price lunches
- \* Film nights including dinner
- \* Guest Speakers
